Responsibilities:

- Locate and mark fiber and copper underground facilities
- Respond to requests by customers, contractors and developers through Blue Stakes
- Participate in locate meets to understand the scope and location of more complicated locates

Tasks Include:

- Driving a company truck
- Operating a cable locator machine
- Reading staking sheets and cable route maps
- Flagging or painting to mark locations
- Coordinating with internal and outside contacts
- Keeping records

Requirements:

- High School Diploma or equivalent
- Valid driver license
- Good driving record
