

JOIN OUR TEAM

WE'RE GROWING!

Are you **PASSIONATE** about creating an exceptional customer experience? Do you **CARE** about the details? Are you a team player who likes to **LEARN** new things? Do you **CRAVE** an environment of teamwork and enthusiasm? Do you believe that if something is worth doing, it's worth doing **RIGHT**? If this sounds like you, we would love to talk to you!

We are currently hiring a Facilities Technician to work out of our Kamas or Coalville office. Our Facilities Technicians assist with outside plant facilities by performing maintenance, repair, and installation.

Responsibilities:

- Test, troubleshoot, and repair broadband, television, and telephone service equipment located outside the customer premise
- Install temporary and permanent residential and business drops
- Troubleshoot and repair copper and fiber mainline and drops
- Restore services due to unpredictable events
- Provide exceptional customer service
- Locate underground facilities
- Provide backup to install new services purchased by customer and ensure they are fully functioning

Requirements:

- High School Diploma or equivalent
- Two-three years telecommunications/electronics/RF coaxial systems experience, preferred
- Associate degree in electronics or network management, preferred
- Previous experience troubleshooting
- Valid driver's license and a good driving record

All West is a drug free workplace, conducting pre-employment and random drug testing. Benefits include medical, dental, short-term disability, life insurance, AD&D, 401k with company match, PTO, paid holidays, and more!
